

THE LEO CLUB END TERM REPORT

THE LEO GOALS

The Leo club is a section of The Lions Club International. Our main aim here at the Leo Club is to help the needy and unfortunate to ensure they can get all the help they need from the society.

Since, the past one year, our Pet Project has been the Afrikasi Nursery School situated in Parklands, in Nairobi. It is a small school where children from nearby families are fortunate enough to study and obtain a chance to achieve something in life!

These children know the value of education and don't just take the opportunity to study for granted, unlike those of us who don't value what we already have.

ACHIEVEMENTS

This term The Leo Club made several visits to this school, donating various items that could help the children progress in life , including books, clothes, food items, and other learning materials.

With every visit, each member of the club has always gained a memorable experience, because, to be able to make a young heart smile, is a big achievement, that really soothes your heart deep inside!

WHAT AHEAD?

At Leo Club, we never get tired of ‘giving’. It is what makes us happy! We hope to continue collecting funds for the school, through Bake Sales and Sponsors.

We wish to leave a smile every child’s face in the school, leaving them contented and satisfied that their future is bright!

**“We cannot do great things on this Earth,
only small things with great love.”**

Mother Teresa
